

Weber & Morgan County

Vehicle Emissions Fundamentals

This light-duty vehicle emissions course is designed to give automotive technicians a complete understanding of vehicle emission pollutants, emissions system component identification, emissions related repairs and other information. By taking this class, you will be better prepared to test for an emissions license with your respective county.

Students must attend all 16 hours to complete the training.

Ogden-Weber Technical College **DOES NOT** administer any written certification tests or practical evaluation for any county that has a vehicle emissions program.
