2025 Highlights

Administration

Customer service is not just for patrons. The purchasing team set out to reduce the wait time between purchase orders and reconciliation for our own staff in need of supplies and travel reimbursements. Orders went from 17 days to 2 and all of the orders were reconciled by the end of the year deadline.

7,993

Birth Certificates

2,878

Death Certificates

566

Child development home visits

Clinical Nursing Services

Our nurses looked at ways to increase capacity to serve pregnant women on Medicaid by incorporating more wrap around services. Each visit now includes education, resources and referrals helping them connect to essential services for a healthy start for them and their babies.

Community Health

New Memorial Garden: The Path of Hope highlights Hope, Recovery, and Healing. WMHD and local partners built the new memorial in 2025. It features a dedicated space for opioid overdose awareness, new garden boxes, and purple flowers. Nearly 100 attendees participated in the event and 8 #purplechampions were recognized.

187

Breast pumps checked out to new moms

Women, Infants and Children

A wider variety of foods became available to purchase with WIC benefits with the addition of canned fish, tofu, and canned produce. The WIC team discussed the changes with each participating family and updated their food packages to best meet their needs and encourage a more diverse range of tastes and healthy foods.

4,175
